Streets Alive!

This program is

Community Health - Every year, Partnership for a Healthy Lincoln works to improve the health, nutrition, and fitness of Lincoln's children, adults, families, and seniors with **Streets Alive!**, our wellness outreach fair, scheduled this year for September 10, from 1 – 5 PM. Everyone is welcome - our event is family, wheelchair, and pet friendly.

Neighborhood Health - We also work to improve the health of our host neighborhood. **Streets Alive!** lines two miles of traffic-free city streets with over 100 non-profit organizations that provide free health and wellness resources in a festival like atmosphere that encourages physical activity and good nutrition throughout the route.

City & Neighborhood Vitality - We partner with city services, community organizations, and businesses to fund a project through **Streets Alive!** that improves the beauty, safety, and vitality of the host neighborhood and our whole community.

Thank you for making our community healthier with your support of Partnership for a Healthy Lincoln and **Streets Alive!**

Help raise money for Streets Alive by participating in event or sponsoring!
